TRIP HIGHLIGHTS

About this trip

Rip across the Vietnamese countryside on motorbike taking in the sounds, smells and tastes of Asia's most vibrant country. You'll be accompanied all the way by your fellow riders and a support truck loaded with water, snacks and a mechanic. You'll cross narrow bridges, race down highways, shoot over winding mountain passes and hug stunning coastal roads.

Mai Chau

A stunning rugged green landscape with winding mountain passes and epic views. We'll spend 2 days here acclimatising and getting used to the Vietnamese roads.

Phong Nha

Home to one of the world's largest cave phong nha is a stunning place to explore. We'll ride through fields of limestone karsts and explore a cave or two before discovering the fascinating demilitarised zone.

Hue

This history soaked city used to house Vietnam's royal family. We'll explore it's best museums, temples and pagodas by motorbike and indulge in its fiery cuisine.

Hoi An

A lantern lit ancient town nestled by a river and just a few km from the beach. This is where we end our journey. It's the perfect place to get some suits tailored, enjoy a massage and feast on the local seafood.
