Meet Kim Mason

Kim Mason, a Personal Travel Manager with over 20 years experience, combines her passion for snowsports with her family travel expertise to bring you Family Snow Safaris (FSS).

So what is a Family Snow Safari? FSS is an Australian-hosted ski tour open to families of all ages. No minimum or maximum age! We have the best local ski guides escorting you to the secret haunts on the mountain, deluxe accommodation, group dining experiences and activities which means some serious FUN. And it's not just for the adults – your kids will have a blast too!

“It was without doubt one of the best holidays we have ever had. Great snow, great people and it could not have been easier for a family with kids. Love your work Kim!

– Matt
