## Let Princess® help you reconnect with your life onboard

On a voyage in America with Princess, everyday routine seems worlds away. Because this is an experience that is all about rediscovering your curiosity and awakening your sense of wonder.

A Princess voyage is designed to remind you how meaningful travel truly can be. It's an opportunity to see a new place you've never been, discover new vistas and cultures, engage with people you've never met before on ship and shore, and perhaps best of all, to share these moments with those you love. And while you celebrate a voyage of discovery and renewal, we are here to welcome you back onboard — each day you go ashore, and every time you sail with us — and provide all you need to create memories to last a lifetime. More than anything, a Princess voyage represents the rare opportunity in life to reconnect with what's most important in your life, and come back new.

Approximately 13 to 20 square metres. Larger deluxe oceanview staterooms available on some ships.

## wheelchair-accessible staterooms

Princess offers a selection of staterooms that provide full wheelchair-turning space. In addition, these staterooms include a roll-in shower equipped with grab bars and a fold-down bench seat, an easy access closet and a writing desk with wheelchair access. Staterooms range from approximately 21 to 50 square metres based on stateroom category.

Visit [princess.com](http://princess.com) for more details.

Note: floor plans, amenities and stateroom diagrams represent typical arrangements and may vary by ship. Certain stateroom categories may vary in size and configuration by ship. Square metres varies based on stateroom category and deck location. Stateroom views are considered unobstructed unless noted otherwise. Obstructions do not include certain nautical items like handrails, dividers or ship hardware. For balcony staterooms, the view is determined from the perspective of the balcony railing. Balconies may have either solid steel or glass railings. Some categories have portholes versus picture windows. Some staterooms are partially to fully obstructed, as shown on deck plans. Upper berth and bed ladder capacities are 113kg. Staterooms that can accommodate rollaways have two lower berths and one upper berth, and the staterooms can accommodate a fourth berth as a rollaway bed upon request at time of reservation. There are a limited number of rollaway beds per ship, per voyage. Use of rollaway beds restricts stateroom space.

8. Medical, dietary and mobility requirements

We want to ensure you have a safe and enjoyable cruise holiday. Please advise us at the time of booking if you have any condition that requires medical attention, medication or special treatment, including pregnancy. We will then send you a Fact Sheet and Questionnaire for you to review, complete and return to our specialist Medical Department. By providing this information we may be able to offer advice or specialised equipment that may assist you.

If you are not fully mobile and use mobility aids (whether permanently or periodically), please also let us know at time of booking and we will provide a mobility fact sheet.

Guests that need assistance should always be accompanied by a carer to help with day to day activities as our crew and medical staff are unable to act as personal carers.

9. Celebrations

If you are celebrating a honeymoon, anniversary, birthday or special occasion, please ensure you let us know at the time of booking. We have a range of special occasion packages available to help you celebrate. Speak to our Cruise Contact Centre for further information or visit our website. Please note, charges may apply.

10. Group services

# tips for your trip

## FIRST THINGS FIRST

### When should I book?

You should book your cruise holiday as soon as you can. This will ensure that you have the greatest choice available, as holiday periods can be very popular and sell out early. Keep this in mind, book early and get ready to come back new™.

## THINGS TO KNOW BEFORE YOU GO

### Where can I find out more about my cruise holiday?

Once you have made your booking, you can log on to ‘Cruise Personaliser’ on our website to view your cruise details, including your stateroom, itinerary, pre/post cruise arrangements and dining options. You can also pre-book shore excursions, spa treatments, special occasion packages and more from 120 days prior to sailing.

### Do I need travel insurance?

Australian Medicare, New Zealand ACC and private health insurance will not cover you for any medical costs onboard. All cruises (even cruises that do not visit foreign ports) require international travel insurance. We strongly recommend that you organise your travel insurance at the time you pay your deposit.

You should not base your insurance decision on the assumption ‘it won’t happen to me’ – accidents or illness can happen to anyone. Hospital bills can cost more than AUD5000, or equivalent, per day. For further information or to purchase travel insurance:

- Australian guests - please contact your Travel Agent or call your travel insurance provider.
- New Zealand guests - please contact your Travel Agent.

### Where can I find more information about passports, visas and vaccinations?

#### Passports

Australian citizens, visit [www.passports.gov.au](http://www.passports.gov.au)

New Zealand citizens, visit [www.passports.govt.nz](http://www.passports.govt.nz)

For citizens of other countries, please contact your relevant national authority.

#### Visas

Please contact your Travel Agent, relevant consulate or embassy, or an online visa service for more information. You may also visit [princess.com](http://princess.com) for general visa information.

#### Vaccinations

Please contact your doctor or an approved public health travel advisory service such as World Health Organisation ([www.who.org](http://www.who.org)), the Department of Foreign Affairs and Trade or Smart Traveller ([www.smarttraveller.gov.au](http://www.smarttraveller.gov.au)).

### What is the latest time I can check-in for my cruise?

Check-in closes one (1) hour prior to your cruise’s scheduled departure time as displayed on your ticket. Checking-in after this time will cause you to miss your cruise and no refunds will be given.

### Can I book my flights with you?

Yes, flights can be booked with our Princess EZAir® program from 320 days to four (4) days prior to sailing and is available once your deposit has been received and applied to your cruise booking. With Princess EZAir®, you can customise your flights to suit your travel plans and choose from competitive, real-time pricing and availability. Take a look at the Princess EZAir® page in this brochure for more details.

### I have flights booked through Princess Cruises®, can I check-in online?

Yes, your flight reference number will be printed on your Princess Cruises eTicket.

### If I am booking my own flights, what arrival and departure times do you recommend?

Please contact your Travel Agent or our Cruise Contact Centre for the most suitable arrangements for your itinerary.

When you are making your own flight bookings, missed connections are always a possibility, so the more time you allow for unforeseen delays at either end of your cruise, the better.

If you do need to make changes to your own flight bookings, your chosen airline may charge fees; so check their airfare conditions when you book.

### I take medication; do I need to let you know?

Yes, if you have a medical condition or take medication it must be advised at time of booking. We will send you a health questionnaire to complete so we have all necessary information. We want you to be safe and comfortable on your cruise, so bring enough medication to last you until the end of your holiday. It is also a good idea to bring a few extra days supply in case of any unforeseen delays.

### Can I bring my medical equipment to use onboard?

In most cases, yes. To ensure your medical equipment will work onboard, please advise your Travel Agent or our Cruise Contact Centre at the time of booking. We will then send you an information sheet to complete. For safety reasons, your equipment will need to be checked prior to boarding.

### When am I going to get my cruise documentation?

Princess Cruises® operates a paperless documentation program that promotes environmental sustainability and ensures guests receive up-to-date information in a timely manner. This program begins once you have paid your deposit and consists of a series of information emails including a downloadable travel summary.

For your convenience, you can also view copies of the information emails as they become available via ‘Cruise Personaliser’.

Once you have provided all your personal details via ‘Cruise Personaliser’, and paid for your booking in full, you can download your boarding pass and luggage labels online as early as 75 days before you set sail.

### How do I find out what shore excursions are available, and how can I book them?

General shore excursion information is available in the Shore Excursions section of our website. You can view prices and pre-book excursions for your cruise from 120 days until seven days before sailing via ‘Cruise Personaliser’. As numbers are limited, we recommend you book early. You can also book at the Shore Excursions desk once onboard.

### I have limited mobility; can I go ashore in all ports?

It is important to note that access to tender ports may be restricted, which may also limit your excursion options. Do not worry if you cannot go ashore, a range of activities are available onboard!

### Can I organise gifts or celebrations before sailing?

We can help you celebrate your honeymoon, birthday or anniversary onboard with one of our special occasion packages. You can also arrange a gift such as a bottle of wine or flowers for a friend, loved one or even yourself, up until five (5) days prior to departure. For information on these packages, search ‘Special Occasions’ on our website.

### Can I get married or renew my vows onboard?

Yes, let Princess Cruises® help you create memories to last a lifetime. We offer a wide variety of special packages for weddings and vow renewals on most of our ships. Visit our website for more information or to download a brochure.

### How much luggage can I bring?

We recommend no more than two (2) bags per person. Each bag can be no bigger than 140cm x 60cm x 40cm and cannot weigh more than 32kg. It is important to remember that airlines may have different luggage restrictions.

### Can my friends and family see me off?

Family and friends are welcome to share in your excitement and wave farewell from the cruise terminal. Due to security reasons, they will be unable to come onboard with you.

## WELCOME ABOARD!

### What’s included in my cruise fare?

Your comprehensive cruise fare includes onboard accommodation, ocean transportation, all main meals onboard, some non-alcoholic beverages and most entertainment. Excluded are meals at some alternate dining venues, meals on hosted land tours unless noted otherwise, transfers and items of a personal nature such as, but not limited to, spa services, shore excursions, beverages and some snacks, photographs, gratuities and medical services. Other services may be available at the time you sail, as we are constantly striving to enhance our product.

### What do I wear onboard?

During the day, casual clothes are suitable. After 5.30pm, smart casual attire is required in the public lounges and restaurants or as published in the ship’s newsletter. On formal evenings, we suggest gentlemen wear a suit, or jacket and tie, and for ladies an evening or cocktail dress.

### How do I pay onboard?

At embarkation, you will receive your personal ‘Cruise Card’, which will also be your security pass and door key. Yet another convenience of sailing with Princess Cruises® is being able to simply present your ‘Cruise Card’ and sign for all purchases. An itemised onboard account will be delivered to your stateroom at the end of your cruise.

We recommend that you pre-register your credit or debit card details online with ‘Cruise Personaliser’ or at embarkation for an express check-out. We accept Visa, MasterCard, Diners Club and AMEX. **A 1.5% service fee will be charged for guests settling their onboard account via credit card.** Debit cards act as a credit card, whilst using the available funds in your bank account. When using credit or debit cards, we obtain pre-authorisations and some banks hold these for up to 30 days. This may appear as a double charge to your credit or debit card until your bank releases the hold.

If you do not have a credit or debit card, you can activate your onboard account with cash or traveller’s cheques, by paying a minimum deposit of AUD300 per person on Sun Princess®, Dawn Princess® Sea Princess®, Diamond Princess® and Golden Princess® cruises departing and returning to Australia or USD300 per person (CAD, GBP and EUR currencies are also accepted) on all other Princess Cruises® departures. Pre-paid credit cards and Travelex Visa cash passports are not accepted onboard.

For all round world cruises, shipboard accounts being settled by credit or debit card, will be settled in full and charged to the nominated card at the end of each published sector. We recommend you make arrangements with your card provider prior to the cruise to settle your personal card accounts whilst you are away.

### Do you have ATMs onboard?

Yes, ATM facilities are available onboard all our ships.

### Can I do my laundry onboard?

Our ships provide laundromats for self service washing and ironing. Laundry services are also available. Charges apply for these services.

### Are there safety deposit boxes?

Yes, there are safety deposit boxes located in every stateroom.

## OTHER BITS AND PIECES

### I have booked through a travel agency; can I still contact you directly?

Your Travel Agent is the expert in arranging your holiday. While we are happy to discuss general information about your cruise, we are unable to discuss any aspect of your booking with anyone other than a representative of your travel agency. Please contact your Travel Agent for specific details, requests or to make changes to your booking.

### What if I do not embark on my cruise?

We would be sorry if you cannot make it. If you do not join us on the cruise, no refunds will be given.

### What else do I need to know?

The most important information is still to come. Please read our ‘Terms & Conditions’ which can be found on our website, then you’re all set!

# terms & conditions

## 1. Introduction

These are the terms and conditions under which you book your cruise holiday and travel on any Princess Cruises® product we sell you. Once you make a payment towards your cruise, you become bound by these terms and conditions, so it is important that you read them carefully.

We/Our/Us means Carnival plc, trading as Princess Cruises® and, where the context permits, includes the Carrier. PCL means Princess Cruise Lines Ltd, a Bermudan company. Carrier means PCL, except for bookings on Sun Princess® and Dawn Princess® where Carrier means Carnival plc. In selling you cruises and issuing you tickets, Carnival plc acts as a sales agent for PCL, except for bookings on Sun Princess® and Dawn Princess® where Carnival plc acts as principal. For bookings on Sea Princess® cruises departing and returning to Australia, Carrier means Carnival plc and Carnival plc acts as principal in selling and issuing your tickets.

You are entering into this contract with Carnival plc trading as Princess Cruises®, ARBN 107 998 443.

Certain laws such as the Competition and Consumer Act 2010 (Cth) and any applicable state based consumer legislation (from here known as ‘consumer laws’), are in place for your protection. They are designed to ensure the services provided by us (and, where applicable, the Carrier), are provided with due care and skill and are reasonably fit for a cruise holiday. These ‘Terms & Conditions’ do not alter any protection given to you by consumer laws.

All prices are correct at the time of publication and are quoted in Australian dollars, unless otherwise noted.

## 2. Cruise itineraries are not guaranteed

Many factors may affect our ability to provide any particular itinerary. These include weather, mechanical difficulties, civil unrest or other unforeseen circumstances. We agree to use reasonable endeavours to provide a cruise in accordance with our published schedules and itineraries. However, we do not guarantee itineraries and they do not form part of your contract with us. If we are unable to operate in accordance with our published itinerary, we may in some circumstances offer you assistance or compensation in accordance with clause 28.

## 3. Bookings

Each stateroom booked represents an individual booking and can accommodate between one (1) and four (4) guests, depending on the stateroom configuration. Each booking will be allocated a unique booking number.

## 4. Your agreement with us

When you first make a payment towards your cruise holiday, you represent that you have the authority from all guests on your booking(s), to accept our ‘Terms & Conditions’ on their behalf. Parents/Legal Guardians accept the ‘Terms & Conditions’ on behalf of their children, including those who travel in a separate stateroom. Once we have received a payment on a booking, an agreement on these ‘Terms & Conditions’ becomes effective between all guests on the booking(s), Carnival plc and, where applicable, the Carrier.

## 5. Payments

Your booking is not secure until we have received a deposit.

If your deposit as indicated on your booking confirmation is not received within three (3) working days, your booking will be cancelled automatically.

	Cruise or Cruisetour Duration (nights) – except World Cruise		
	Cruises 5 nights and less	Cruises between 6 to 29 nights	30 nights or longer
Deposit required	20% of total fare		
Final Payment Due Number of days prior to departure	60	75	90

	2017-2018 World Cruise bookings (including World Cruise sectors)	
	Less than 45 nights	45 nights or longer
Deposit required	20% of total fare	30% of total fare

It is essential that you make final payment by the due date and in accordance with the type of fare you have purchased. If payment is not received by the due date, bookings will be automatically cancelled and our ‘Cancellation & Refunds’ policy will apply in accordance with clause 8. From time to time, we may release promotional fares that have different payment conditions. Please ensure you check the payment conditions at time of booking.

If you are making a booking within the ‘Final Payment Due’ period of your selected cruise, full payment is required at the time of booking.

## 6. Waitlist Bookings

If your requested cruise or stateroom category is unavailable, you can choose to create a ‘waitlist booking’. This means that if your requested cruise or stateroom category becomes available, you will be sent a ‘waitlist match’ via email. Once sent,

you have until the end of the following business day to accept the booking. If accepted, your booking will be subject to our normal Payments and Cancellations & Refunds policies outlined below. There is no deposit required for guests who already have a booking and would like to waitlist for a different stateroom category on any cruise. For a waitlist only booking, a deposit of \$200 per booking is required. If your waitlist is accepted the waitlist deposit paid will contribute to your booking deposit. If you do not accept the waitlist match, or a waitlist match does not become available, the waitlist deposit is fully refundable.

## 7. Travel Insurance

We strongly recommend you purchase appropriate international travel insurance at the time you pay your deposit. As Australian Medicare and New Zealand Accident Compensation Corporation (ACC) do not cover your travel onboard, it is important that international travel insurance is purchased for all voyages (including domestic Australian itineraries which do not visit international ports). If you do not purchase travel insurance, you may not be able to recover cancellation charges, medical costs, repatriation and other expenses that may arise if things do not go according to plan.

## 8. Cancellation & Refunds

Although we would love to see you onboard, we understand that plans can change. Should you need to cancel your booking, we ask that you notify your Travel Agent or our Cruise Contact Centre at your earliest convenience. The refunds or cancellation charges that will be payable depend on the departure date of the Cruise or Cruisetour and the amount of notice you give us, as follows:

## 9. Princess EZAir® Bookings, Payments and Cancellations Bookings

We act as agent for the airline carrier in making your flight booking through the Princess EZAir® tool. It is important that you are familiar with your airline’s terms and conditions, including important liability limitations. IATA Conditions of Contract are available at [www.iatatravelcentre.com/e-ticket-notice/General/English/](http://www.iatatravelcentre.com/e-ticket-notice/General/English/)

## Fares

You have the option of booking Restricted Air or Flexible Air. Prices are per person inclusive of all flight taxes and fees except locally payable airport taxes. You should check baggage restrictions with your airline as fees may apply.

## Restricted Air

Changes are not permitted for Restricted Air bookings. In accordance with the terms and conditions of your airline, any changes, including name changes will result in cancellation without refund and require rebooking which may be subject to higher fares. Failure to check in will result in cancellation of your flights, including your return flight.

## Flexible Air

In accordance with airline policy, name changes will not be permitted and will require cancellation and rebooking, which is subject to availability and possibly higher fares. Failure to check in will result in cancellation of your flights, including your return flight, in accordance with airline policy. The following cancellation charges apply to Flexible Air.

Days prior to flight departure	Cancellation Fee
45 days or more	Full refund
44 days or less	100% of total airfare

## Payments

Payment for Restricted Air is required at time of booking and must be made by credit card. Payment for Flexible Air is due at the final payment due date of your cruise. If you book Flexible Air after the final payment date of your cruise, you will be required to pay at the time of booking by credit card.

Please note that a 1.5% service fee applies to credit card payments. The total amount payable for your booking, including any applicable surcharges will be advised to you before you proceed with payment. If booking through a Travel Agent and paying by credit card you will be asked to sign an authorisation form for your agent to provide us with your credit card details to process payment.

## Changes and Cancellations

Please note that cancellation of your air booking does not result in cancellation of your cruise. If you also wish to cancel your cruise please refer to the ‘Cancellation and Refunds’ section of the Terms and Conditions applicable to your cruise. The guest who appears on the flight booking must be the guest who travels.

## Late Arrival Protection

Booking through Princess EZAir® offers you ‘Late Arrival Protection’. In the event your flight is delayed, and you are unable to meet the ship in time for embarkation as a result of the delay, we will cover the cost of a replacement commercial flight to the next available port to meet the ship.

Please note, Late Arrival Protection only covers airline delays, it does not cover you if you miss your flight for any other reason. Additionally, if no replacement flight is available due to circumstances such as a severe weather event or natural disaster we will not be required to provide a replacement flight.

Late Arrival Protection will not cover any additional costs such as meals and accommodation as a result of airline delays. Additionally, as airline delays are outside our control, your cruise fare will not be reimbursed in the event you miss part or all or your cruise. For this reason, we strongly recommend you take out comprehensive international travel insurance.

## 10. Changing your cruise holiday

If you choose to change your booking to a different cruise, or to a different sector of a World Cruise, it will be considered as a cancellation of your original booking. In this instance, our cancellation charges, as per our ‘Cancellation & Refunds’ policy, will apply.

## 11. Your fare

Your fare is determined by the fare type, the number of guests in your stateroom, its location on the ship, the amenities offered, taxes, fees and port expenses, and any applicable airfares including taxes and fees, transfers and hotel accommodation.

The cruise fare includes onboard accommodation, main meals, entertainment, some activities onboard, gym and some fitness classes, as well as taxes, fees and port expenses.

A number of optional extras are available that are not included in the cruise fare including drink purchases, some onboard activities, shore tours, shopping, wifi internet, laundry services, day spa services, fitness classes and additional dining options.

## 12. Fare changes

Once booked, your fare is only subject to any increased taxes. You will be notified of this before it is added to your fare or to your onboard account.

Sometimes we will release promotional fares. These can be offered and withdrawn at any time. If after booking you decide to change to one of these promotional fares, you will need to cancel your existing booking and our ‘Cancellation & Refunds’ policy will apply.

## 13. Stateroom changes

When making a booking with a specific stateroom number, please advise us or your Travel Agent if you do not want your stateroom changed. This means that you will not be offered a complimentary upgrade to a higher priced category, if one was to become available. Please note that your specific stateroom number and bedding configuration can still be changed for operational reasons, including when the number of people booked in the stateroom is less than the number of beds in the stateroom. In addition, when a booking is made and a specific stateroom number is not selected (known as a ‘Guarantee’), the stateroom will be allocated at our discretion in the category booked, or a higher priced category, at a later date.

## 14. Fuel supplement

We may elect to impose a fuel supplement at any time, in which case any additional fees will apply to new bookings only. The total price quoted to you at the time of booking will be inclusive of any applicable fuel supplement.

## 15. Booking changes

Once you have made your booking, please check your invoice, ‘Cruise Personaliser’, or with your Travel Agent to ensure the details are correct. Should you need to make changes to your booking (spelling corrections or to replace a guest\*), no administration fees will apply. Please note however, that additional fees charged by airlines for any changes will be passed onto guests.

\*One original guest from the booking must always remain in the stateroom. If all original guests cancel / are replaced, the booking will be subject to applicable cancellation charges. If a cancelling guest was the only person that qualified the booking for a promotional fare (eg. past guest fare), additional and remaining guests will no longer be entitled to this promotional fare. The booking will revert to a different fare and the remaining guests will need to pay the difference in cost, if any. Changes can only be made up to 48 hours before departure.

## 16. Pregnancy

Guests who are pregnant during their cruise are required to supply a physicians ‘fit to travel’ note, including your estimated due date, prior to embarkation. We are unable to accept any guests who will have entered their 24th week, or later, of pregnancy by the end of the cruise.

## 17. Minimum age to travel

To ensure there is suitable supervision, there needs to be at least one guest in each stateroom aged 21 years or older. In order to accommodate families cruising together, children may occupy a separate stateroom to their parent/legal guardian, providing one child is aged 16 or over.

## 18. Children & Teenagers

Children love to cruise and Princess Cruises® welcomes them onboard. Due to limited neo-natal facilities onboard and at the destinations we visit, the following minimum ages apply:

## Cruise:

Itinerary	Minimum age to travel
Alaska, Canada & New England, Caribbean, Mexican Riviera, Europe (excluding transatlantic voyages)	6 months
All other itineraries	12 months

**Cruisetours:** The minimum age for escorted cruisetours is 5 years.

In addition, infants aged between six (6) months and three (3) years must remain with their parent/legal guardian at all times.

For the safety and enjoyment of all onboard, there are limits on the number of children and teenagers that can be carried within different age groups. The age of the guest on the day they board the cruise, is the age we use for the entire holiday. We can advise you at the time of booking whether we are able to accept bookings for children on the cruise you have chosen.

Parents/Legal Guardians are responsible for children and teenagers at all times. If a child or teenager displays dangerous or disruptive behaviour, the ‘Rights of the Captain’ will be applied to both parent/legal guardian and child/teenager. Children’s access to pools and spas may be restricted and adult supervision is required.

## 19. Children Centres

Children less than three (3) years of age are welcome to use the Children Centres’ facilities under the direct supervision of their parent/legal guardian. To attend the Children Centres without a parent/legal guardian, children need to be three (3) years of age or over and toilet trained.

Use of the Children Centres requires daily registration and entry is on a first-come-first-served basis as places are limited. On all ships, except Pacific Princess®, group child minding for children three (3) to 12 years is available between 10pm and 1am only, for a charge.

There are no dedicated Children Centres onboard Pacific Princess® and children’s programs will run only when there are 20 or more children sailing aged between 3 and 17.

20. Requirements to travel

Passports, visas, vaccinations and other travel documentation are your responsibility. Without the necessary passport, visas and/or vaccinations local authorities may deny you boarding, prevent you from going ashore, issue a fine or deny the ship entry into the port. It is also your responsibility to ensure you have all the necessary documentation which permits you to travel. If you do not have all the necessary documentation, you may be denied boarding and no refunds will be given.

For international voyages (cruises that visit a foreign port), passports are required for all guests and must be valid for a minimum of six (6) months beyond the date of the cruise return. In addition, travel on our cruises will not revalidate an Australian re-entry visa.

21. Illicit items

To ensure a safe and enjoyable holiday for all our guests, it will be necessary for our staff and other parties, such as port and government agencies, to search you and your luggage. You agree to allow such searches. We can deny boarding or disembark any person in possession of any weapons or illicit substances. You must contact us within three (3) days of disembarking to claim confiscated items which may be returned to you if appropriate. If you do not contact us within this time your item may be destroyed.

22. Age Restrictions on Alcohol and Gambling

We are committed to the responsible service of alcohol. There may be times when we consider it appropriate to refuse the service of alcohol to a guest for any reason. To consume alcohol or gamble onboard, the following minimum ages and corkage charges apply:

	Voyages departing and returning to Australia or New Zealand, sailings from China and Singapore; all ships sailing in Europe	Voyages departing and returning to Japan	All other Princess Cruises™ departures
Minimum age	18 years	20 years	21 years
Corkage (per bottle)*	US\$15	US\$15	US\$15

\*Corkage charges apply to wines and/or champagne brought onboard and consumed in the dining room or alternative restaurants, including additional bottles irrespective of where they are intended to be consumed, as outlined in the Bringing Alcohol Onboard section. Corkage charge is in the operating currency on the ship.

23. Smoking

Smoking is not permitted indoors on any of our ships. This includes in staterooms and on private balconies. For those who smoke, there are designated outdoor areas where smoking is permitted and this information will be communicated to you onboard. Electronic cigarettes can only be used in the designated smoking areas onboard.

24. Your health

We care about the health and safety of our guests. To assist, please advise us at the time of booking if you have any existing condition that requires medical attention, medication or special treatment. If you have an existing medical condition, we may ask you to complete a health questionnaire.

If a guest has an existing condition that we decide may seriously affect the enjoyment, health or safety of themselves or any other person onboard, we can refuse or cancel a booking, where necessary. We will give reasonable consideration when reaching this decision and will advise you as soon as possible. As long as you have provided us with a completed health questionnaire with all relevant information about the condition, you will be entitled to a full refund if we cancel your booking on the basis of this condition.

Guests that need assistance should always be accompanied by a carer to help with day to day activities as our crew and medical staff are unable to act as personal carers.

25. Onboard medical centre

The Princess Cruises™ medical centres are staffed by fully registered and licensed doctors and nurses who are available 24 hours a day in case of an emergency. Our facilities are well equipped to deal with both minor injuries and most major medical conditions. Please note, our facilities are only for medical needs arising onboard and cannot cater for treatments that you know you will require while on holiday.

All Princess Cruises® medical facilities proudly hold the distinction of being the only medical services in the cruise industry to have been awarded accreditation to international healthcare standards as well as certification to ISO 9001:2008. We are not a healthcare provider and may not be held liable for the sickness, injury or death of any guest arising from any advice, treatment, care, services or any omission by medical staff. These medical providers exercise their own medical judgement and expertise.

26. Onboard medical charges

All cruises on our ships are outside the scope of Australian Medicare, New Zealand Accident Compensation Corporation (ACC) and private health insurance. Consultations, treatments and medications are charged at private rates and must be paid by you and claimed through your travel insurance.

27. Other service providers

While we specialise in cruising holidays, you may choose to book other services with us such as flights, accommodation, transfers and shore excursions. We can assist you in making these arrangements; however, we act only as a booking agent. The service providers are solely responsible for the information and service offered and their conditions will apply. Where possible, we will assist in addressing any concerns you may have with the service providers. Any arrangements made by or for you are your responsibility and entirely at your own risk.

Please note, airline terms and conditions may require full non-refundable payment prior to Princess Cruises' normal payment conditions.

28. Ship & itinerary changes

We will do everything we reasonably can to make sure everything goes according to plan; however, sometimes changes can happen that may affect your holiday experience. This could include weather, mechanical difficulties, civil unrest or any other unforeseen circumstances.

In addition, we may charter all or part of the ship, or remove the ship from service where this becomes necessary. We may change the itinerary, ship or cancel the cruise due to operational or commercial requirements. We will notify you of these changes as soon as we can. If we are forced to cancel your cruise for any reason prior to departure we will provide a full refund. Since your itinerary is not guaranteed, please do not make any important arrangements or meetings based on the proposed itinerary.

Changes within our control

Where we make a significant change to the ports in your itinerary prior to departure and this is due to a circumstance within our control, for example for operational or commercial requirements you will have the choice of:

- 1. the new itinerary;
- 2. an alternative cruise of comparable standard, if available; or
- 3. cancelling the cruise for a full refund of your fare paid.

For the purposes of this clause, 'significant change' means a change to the city of departure or disembarkation, or to the majority (by number) of the other ports in your itinerary.

Changes outside our control

If it is necessary to change the itinerary due to safety, maritime law, severe weather, to protect human life or health or other factors outside our control, we will attempt to offer a revised itinerary as close as possible to the original itinerary. We will not provide any compensation in connection with the revised itinerary unless consumer laws require otherwise.

29. Travel Restrictions and Rights of the Captain

You are responsible for ensuring that no travel restrictions apply to you. If police or any other authority in any jurisdiction notify us of, or we otherwise become aware of, any matter that reasonably causes us to believe your presence onboard presents a risk to your own health or safety or the health or safety of other guests and crew, we, or the Captain, may deny you boarding. A full refund will be provided to any guest denied boarding on this basis.

Once the cruise has commenced, if a guest seriously affects the safety, well-being or enjoyment of themselves or any other person onboard, the Captain has the right to confine, sedate or disembark the guest. In such cases, we are not responsible for any expenses including your return home. In addition, you will not be entitled to any refunds. While the Captain will always act reasonably in these circumstances, you accept that the safety, well-being and enjoyment of everyone onboard, comes first. You agree not to solicit other Guests for commercial purposes or advertise goods or services onboard the ship without our prior written permission.

30. Leaving the cruise early

If you are required, or choose, to leave the cruise for any reason (unless caused by our proven negligence or failure to provide services with due care and skill and that are reasonably fit for purpose), we are not responsible for any expenses, including your return home. This also applies if you do not return to the ship in time for sailing after a port visit. If we assist you with any costs, you will need to repay us on your return. In addition, you will not be entitled to any refunds.

31. Limitation of liability for Recreational Services

Save for liability for significant personal injury caused by Reckless Conduct by us or our servants or agents, we exclude liability for all Excluded Recreational Liabilities arising out of the supply of Recreational Services.

32. Time limits for claims

You agree to use all reasonable efforts to report any complaints or claims onboard, or otherwise bring the matter to our attention as soon as possible. You acknowledge that failure to bring any matter to our attention whilst onboard will limit our ability to investigate the matter following your cruise.

Where consumer laws and other laws permit us to exclude our liability, we will not be liable for:

- loss of, or damage to, any luggage or other belongings
- sickness, injury or death, unless caused by our proven negligence or failure to provide services with due care and skill and that are reasonably fit for purpose.

In addition, our liability will be reduced in proportion to any negligence or fault on your part.

33. Choice of law & jurisdiction

This contract is governed by the laws in force in New South Wales. You agree that any action you bring against us will be brought in New South Wales, Australia.

If you have a claim against us, you agree only to bring action against us and not any of our related bodies corporate as defined in the Corporations Act 2001(Cth).

34. Privacy

Privacy laws safeguard your personal details.

For the safety and security of our guests and crew, we use Closed Circuit Television (CCTV) to monitor and record public areas onboard all our ships. This footage is confidential and is not available for viewing, unless required or permitted by law. We are not responsible for any consequences arising from the viewing or other use of this footage.
