BUCKET list travel destinations for seniors and retirees is enriching and exciting.

The only question is, where would you like to go next?

Rose Febo from Travel Managers Wynnum provides her top three destinations for this year.

Jordan and Egypt

Discover ancient treasures from the pyramids to the Treasury at Petra, from the Dead Sea to the tip of Africa, the best of this remarkable region is yours to discover.

Endless options are available that incorporate this mystical region.

History buffs take note, a visit to the world heritage-listed site at the lost city of Petra is a must.

Follow in the footsteps of Lawrence of Arabia, with escapades into the desert wonder of Wadi Rum, then relax on the shores of the Red Sea and, finally, float in the hyper-saline waters of the Dead Sea.

HISTORY BUFFS TAKE NOTE: The world heritage-listed site at the lost city of Petra is a must for travellers.

In Egypt, discover the temples of Abu Simbel to the Valley of the Kings and the Temple of Hathor at Dendera.

Marvel at the hieroglyphics adorning the roof of Hathor's temple before visiting Luxor temple.

Antarctica Cruising

Nothing can prepare you for the awe of stepping on to the ice for the first time.

Travelling to the base of the globe on our Antarctica cruises is a long-held dream for most people.

For centuries the Antarctic remained like a ghost on the map of the world, yet today this white continent exerts a powerful fascination.

Explored since 1820, this icy land offers the world's biggest icebergs and an array of wildlife, including fur seals, penguins, albatrosses, sea elephants, and whales set in a grandiose landscape.

Do it in luxury aboard the World's First Discovery Yachts, Scenic Eclipse or expedition cruise Le Ponant.

Scandinavia and Russia

Discover the Nordic region and the Baltic States of Latvia and Estonia which rival one another for their charm and elegance.

Choose your style of travel aboard Le Ponant, Silver Seas, Crystal Cruises, Scenic, Holland American, Princess Cruises, or Hurtigruten visiting Sweden, Norway, Finland, Denmark and Russia, with their architectural treasures and open-air museums.

Itineraries take in St Petersburg, as well as London.

St Petersburg is rich with the splendour of the Tsars and the traces of the Russian Enlightenment.

During your travels, you can visit two sites that were significant for the Hanseatic League in the Baltic Sea around the 13th century, Tallinn and Visby.

UNESCO heritage sites, these once opulent cities still have remarkably well-preserved ramparts, public buildings, merchant houses and warehouses and well worth a visit.

WHITE MAGIC: Travel manager Rose Febo recommends an Antarctica cruise for its rich wildlife, including fur seals, penguins, sea elephants, and whales.
