Krabi- Elephant Hills Jungle Camp- Phuket

Day 4: 24 October

Elephant Hills Jungle Safari

Spectacular Cheow-Lan-Lake

Wake up to the sounds of nature and birds calling from the bushes next to your tent. Breakfast is at your leisure this morning.

Today we will explore Cheow-Lan-Lake by local long-tail boat. This man-made lake is surrounded by limestone mountains and cliffs covered in tropical rainforest that rise up from the shore of the lake and disappear somewhere in the distance. Few people know of the lake and even less have visited it. You can enjoy spectacular scenery from the boat and will have time to dip into the lake's emerald water. Please bring your swimwear, towels are provided at a local raft house, where we will stop over for lunch and relaxation.

In the late afternoon we return to Elephant Hills for dinner. The Jungle Bar will be once again open and many activities on offer to keep you busy- enough action to ensure sweet dreams after you have been lulled to sleep by the background symphony of insects and frogs.

Day 5: 25 October

Elephant Hills Jungle Safari and Return to Phuket

A Little Jungle Adventure

Start the day with a wholesome breakfast before you'll come face to face with the jungle, exploring it on foot. It's not an army survival exercise, there are no prizes for the fastest, snakes and spiders do not jump out at you- it's just an excellent opportunity to explore the ecology of one of the world's oldest rainforests, to see a variety of exotic plants, orchids, palms, bamboos and mosses. Birds such as hornbill live high up above, gibbons can often be heard calling to their mates, a leaf monkey may swing through the branches, beautiful butterflies buzz around- every day is different, but it is an experience to discover a great variety of life-forms that co-exist here together.

After the morning's activities it will be time to return to the Elephant Camp where a delicious Thai buffet will be served before we depart camp. After a refreshing shower we say goodbye to Elephant Hills and set off to our

accommodation in Phuket.

To escape the rat-race that is Phuket, we have decided to stay at a beautiful beachside resort, The Slate located not far from the airport.

This evening will be at leisure.

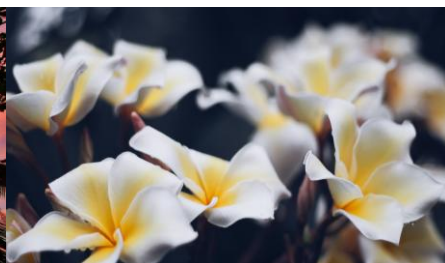

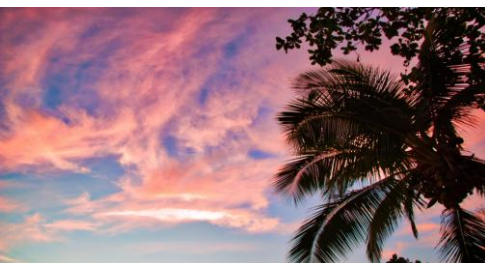

Meals: Breakfast & Lunch

Day 6: 26 October

Today we'll enjoy our last breakfast and enjoy the morning at the resort before our departure to the airport at lunchtime.
